ABOUT THE VENUE

# WELCOME TO THE STAGE

Step inside **The Langdon Firehouse Bar & Grill** and you're walking into a living tribute to music. Every wall is covered floor to ceiling with signed photographs, stage-played guitars, and decades of touring memorabilia — giving the room the feel of a music museum as much as a venue, and an atmosphere that artists and audiences notice the moment they walk in.

Since opening in 2017, **Firehouse Stage** has built a reputation as one of Alberta's premier rooms for live performance — a track record that reflects both the quality of our production and the strength of our audience.

Whether it's a ticketed headline concert, private show, corporate event, or fundraiser, Firehouse delivers a one-of-a-kind experience for artists, agents, and fans alike. We'd love to talk about bringing your act to our stage.
